# Big Brothers Big Sisters Over the Edge Fundraiser Postponed Due to COVID-19 Precautions

**Sacramento, CA**—Big Brothers Big Sisters announced today the postponement of their first Over the Edge fundraiser in Downtown Sacramento in an exercise of caution as the COVID-19 pandemic continues. The urban rappelling adventure, created to raise critical funds for mentorship throughout the Greater Sacramento Region, will take place August 6 and 7, 2020 at the Residence Inn by Marriott Downtown Sacramento.

Partnering with Over The Edge Global, Big Brothers Big Sisters Northern Sierra and Big Brothers Big Sisters of the Greater Sacramento Area affiliates will team up to have their supporters rappel off the side of the Marriott building to raise funds and awareness for their mentorship programs. Individuals must raise \$1,000 for BBBS to secure a rappelling spot. To reserve your participation at this event next year, go to <https://fundrazr.com/BBBSOverTheEdge> and to secure your sponsorship early visit <https://e-activist.com/page/63740/event/1>.

Over The Edge has raised over \$70 Million with non-profit partners through its signature fundraising rappelling events with partners predominately in the United States, Canada and the United Kingdom. Over The Edge has hosted over 700 successful rappelling events in the past 9 years.

“We are thrilled to be able to partner with one of our close BBBS affiliates on this exciting fundraiser,” said Brenda Frachiseur, Executive Director of Big Brothers Big Sisters Northern Sierra. “Double the BBBS agencies means double the fun and monies we intend to raise to support at-risk youth and their families throughout Northern California including the Northern Sierra communities and Greater Sacramento Region.”

The Over the Edge Sacramento event has limited space available for those able to raise \$1,000 through peer-to-peer fundraising and willing to rappel off the top of the Residence Inn. Supporters may also choose to sponsor someone to rappel in their place.

“I can think of no better way to support the next generation of potential than to rappel down the side of one of Sacramento’s signature skyscrapers while raising money for our Littles,” said Dimitirus Stone, CEO of Big Brothers Big Sisters of the Greater Sacramento Area. “While it is unfortunate we had to postpone this year’s adventure due to the ongoing public health crisis, we are very excited and hopeful to host this fundraiser for the first time, next year.”
