

# WORKPLACE Giving

## What is Workplace Giving?

There are many different ways that your workplace may be involved with helping employees support charitable organizations. In some cases, with matching gifts or volunteer grants, you can double your impact!

- **Payroll Giving** - Donations taken directly out of your paycheck.
- **Matching Gifts** - Employer matches donations you give to charitable organizations.
- **Volunteer Funds** - Nonprofit receives fund based on employee volunteer hours donated
- **Annual or Holiday Giving Campaigns**

Ask your employer and/or HR department about workplace giving opportunities. Thank you for supporting Big Brothers Big Sisters of the Greater Sacramento Area!!

Are you interested in starting a Corporate Giving program at your workplace? Please talk to Big Brothers Big Sisters GSA CEO Dimitrius Stone for more information!
